Dear Provider,

Florida Perinatal Quality Collaborative invites additional teams to apply to participate in our Maternal Opioid Recovery Effort (MORE) Initiative, which will focus on improving treatment and care within Florida delivery hospitals for pregnant women who use opioids.

Hospitals and Health Care Providers who join will receive at no cost:

- Expert Support (trainings, education materials, personalized consults)
- Materials (evidence-based toolkits, algorithms, sample documents)
- Progress Tracking (quality improvement data reports)
- Best Practices (lessons learned from other hospitals, states, and organizations)

**For more information on the project and how to apply, download the MORE Application Guide:**
