Clinical Payment, Coding and Policy Changes

We regularly augment our clinical, payment and coding policy positions as part of our ongoing policy review processes. In an effort to keep our providers informed, please see the below communication of upcoming new policies.

Effective for dates of service beginning August 25, 2020

Allergen Immunotherapy – Allergy Injections

According to Kansas Medicaid guidelines, when professional services allergen immunotherapy – allergy injections (CPT codes 95115 or 95117) should not be billed separately when performed during an office visit by the same provider on the same day. These services should be considered part of the office visit.
