## Aetna Better Health® of Kansas Clinical Education Hub - Health Equity

Dear Providers,

Effective November 2023, Aetna Better Health of Kansas has launched a **new clinical education hub**. This includes courses on Health Equity and other related topics. Providers can earn digital Care Champion badges for their provider profile in three clinical areas of focus. Claim a badge after completing the **free, on-demand, accredited courses** and we'll add it to the provider profile. Aetna Better Health of Kansas members will see the badge in our provider directories. The courses may be accessed at the below links:
