New Policy to apply Medically Unlikely Edits (MUE)

Applied to Percentage (%) of Billed Contracts

Dear Provider,

Beginning XX/XX/2022, Aetna Medicaid will apply NCCI MUE reduction to Percentage (%) of Billed Contracts as a part of our claim edit process.

How will this impact me as a provider?

You may see additional denials for claims where the number of units exceed MUE limits for Medicare and Medicaid, and the denials will apply % billed contracts
