## Upcoming Virtual CE Event

### Health Inequities: Discussing the Influence of Social and Political Factors on Health Disparities

CE Details: 1.5 Cultural Competency, General Hours

Date: Wednesday, December 20, 2023

Time: 1:30 PM CST - 3:00 PM CST

The educational goal of this workshop is to provide the audience with a deeper understanding of how social and political factors influence health behaviors and health outcomes. This presentation will explore the far-reaching impact of political and social determinants of health on health disparities observed in historically marginalized communities.
