

NEW POLICY UPDATES

CLINICAL PAYMENT, CODING AND POLICY CHANGES

We regularly augment our clinical, payment and coding policy positions as part of our ongoing policy review processes. In an effort to keep our providers informed, please see the below chart of upcoming new policies.

Effective for dates of service beginning **September 5, 2023**:

Bundled Services

There are several services and supplies that are covered under CMS and that have HCPCS codes, but they are services for which CMS bundles payment into the payment for other related services. These services are identified by Status Indicator B. When a claim is received for a service or supply that is bundled, the payment will be denied.
