

**Topic:** Behavioral Health Respite Rates

**Effective:** January 1, 2023

We continue to work with our provider community to further enhance access to care for OhioRISE children. Due to increasing need to have respite providers to assist children and families, the reimbursement for respite was updated.

Beginning January 1, 2023 the new reimbursement rate is listed below. The Provider Network Management System (PNM) must have **OHR code** reflected to demonstrate specialty of respite.

Providers Types: 84, 95, 19, 45	All Other Provider Types
S5150 = \$20.83 with a daily max of \$250.00*	S5150 = \$7.50
S5151 = \$250.00*	S5151 = \$90.00
